RE: HOMER BEAUTIFICATION

05/14/2012

Greetings Dear Gardeners and Business Owners:

It's been a beautiful spring and it's once again time for Homer Beautification. This program helps add welcoming color to our business district during our short growing season. This year we are planning Homer Beautification Day for Saturday, June 2 starting at 9 am. Please note on your order form if you will be picking them up (preferable) or would like them delivered, but they will not be left unless someone is there. If you pick them up you can make arrangements to get them earlier in the week. Please get your order in to Public Works with your donation as soon as you can to get the varieties that you would prefer from the attached list-first come, first served. You can drop off the order sheet at the address above, email, or fax it to 235-3145.

This project is self-supporting so your donations assure the continuation of this project.

Thank you so much for participating.

Please send all donations to: Public Works
3575 Heath Street
Homer, AK 99603

Sincerely,

Angie Otteson
City of Homer Parks

NAME _____

GARDEN SPACE OR BUSINESS _____

AMOUNT DONATED _____

Please send this portion with donation
